August 18, 2016

Dear Fellow NFPA Organizations & Members:

The most devastating natural disaster in U.S. History is happening in Baton Rouge and its surrounding communities. Tens of thousands of people have not only lost their homes, but our communities have also lost businesses, schools and roads. Members of the Baton Rouge Paralegal Association and their families are among those who have been impacted. As President of the BRPA I'm asking our brothers and sisters in the legal community and fellow NFPA members for help.

As the waters recede and cleanup/rebuilding begins, our members will be in dire need of cleaning supplies, building materials, food, and other everyday necessities. With that in mind, the BRPA is asking for donations in the form of gift cards to help our members on the road to recovery. If you or your association are inclined to help, please consider donating a gift card from one of the regional/national businesses listed below:

Building Materials/Outdoor Equipment

Academy Sports & Outdoors
Ace Hardware
Home Depot
Lowe's

Restaurants

Burger King
Chick-Fil-A
Domino's
IHOP
Jack in the Box
Little Caesars
McDonald's
Papa Johns
